Submittal Details

If you have any questions about the application or what to submit, please feel free to contact the administrator at (317) 258-8046.

1. **Application Page.** Fill out all applicable fields completely.
 - **Alternate ID Number** – This 10-digit identification number is required on ALL permit applications and can be found on the Carroll County GIS website. You can do a search by address or zoom in on the parcel and obtain the detailed information.
2. **Site Plan.** A copy of the site plan drawn to scale showing the items below (see sample drawing).
 - All property lines and streets
 - The location and size of all existing and proposed structures
 - The distance from each structure to the property lines and distance to the road
 - The location of existing and proposed driveways
 - The location of all drainage, utility, and roadway easements on the property
 - An arrow indicating NORTH

For a new single-family or two-family dwelling or an addition to an existing home: The site plan needs to be prepared by a registered professional surveyor and will need to show utility mains and lateral connections, drainage, and spot elevations.
3. **Recorded Deed.** A copy of the recorded deed for the property with the Recorder's Stamp, available from the Carroll County Recorder's Office (765) 564-2124.
4. **Erosion Control Plan.** A plan showing the measures to prevent erosion, contain sediment control, and drainage.
5. **Energy Efficiency Certificate.** This is a COMcheck energy code compliance report that helps ensure structures meet the requirements of the energy efficiency building codes.
6. **Construction Plans.** Building plans drawn to scale (see sample drawing), including:
 - Elevations (front, back, and sides)
 - Wall section
 - Foundation plan
 - Floor plan
 - Mechanical, Plumbing, and/or Electrical drawings (if applicable)
 - Truss calculations with a registered Indiana Architect's or Engineer's seal (applicable for new homes and additions)
7. **Notice of Demolition.** Before submitting an application, contact the Carroll County Health Department and the Delphi Utility Departments to discuss septic/well/utility discontinuation that may be a part of your plans for demolition.

Permit Fees and Other Fees

Notice of Demolition

Prior to demolition, certain inspections are required relating to discontinuing the use of public sewer, public water, private wells, private septic systems, and fuel tanks. The permit holder is responsible for requesting all applicable inspections. Failure to obtain all applicable inspections could result in a zoning violation.

The City of Delphi and the Carroll County Health Department must perform an inspection prior to demolition. In order to approve the Demolition Permit, the applicant is required to sign this form and obtain the signatures of the individuals listed below. Include this completed form with all appropriate signatures when you submit your application for a Demolition Permit.
