

Delphi Water Works Department bringing safe, clean water to our customers

Delphi Water Works' four man crew maintains five wells around the city that pump fresh groundwater from deep in the earth to four storage tanks that serve our customers' water needs. One of our staff holds a Water Treatment WT2 level and Distribution System Operator DSL certifications. Coupling our pumping and storage capacities with a trained, dedicated staff guarantees a steady supply of water for drinking and fire protection needs. We consider it our goal to offer the very best in service and high quality product to the people who depend on us.

Paying Water and Wastewater Bills

Water and Wastewater bills may be paid in person during office hours:

7:30 am - 4:30 pm Monday, Tuesday, Thursday, Friday; Wednesday 7:30 am - 12:00 noon; closed Saturday, Sunday, and holidays.

An after-hours depository is located at the City Building for your convenience.

Water, wastewater, and sanitation payments are due by the 15th of the month. Penalties are added after the 15th as follows:

- Water: 10% of first \$3.00, 3% of balance over \$3.00
- Wastewater: 10% of total wastewater charge

Note: If water and wastewater bills are not paid before the 25th of the month, water will be disconnected. A \$50 charge will be assessed for reconnection.
