Delphi Police Department Report for August 2024

Mayor Yates, Members of the Board of Works and Common Council

Officer Wilson assisted at the Delphi Public Library Summer Reading Finale event. He was a guest in the dunk tank, got his face painted, and had a great time.

Officer Wilson organized Coffee with a Cop at McDonald's. Chief LaMar, Sgt Deckard, Sgt Parkinson, Officer Wilson, and Officer McLeland all attended. We received several compliments and a citizen bought us a dozen fresh cookies.

National Night Out was held at the City Building. Every DPD Officer was in attendance. Stickers and gun locks were handed out to anyone who wanted them.

Officers worked overtime for the first day of school pickup and drop off lines. DPD had 4 Officers in the school zone for the afternoon pickup.

Multiple Officers and part time Officers worked overtime for the Old Settlers Celebration. We handed out hundreds of stickers to kids and gave several golf cart rides home and to vehicles.

The Remember Officer Noah Foundation presented DPD with a check for \$3,283. This covered parts, labor, and installation of our 8th ballistic windshield.

AT&T tower went down. FirstNet brought a mobile tower to town to keep first responders up and running.

Richard Allen 1 day hearing went smoothly. 2 Officers worked overtime to assist with parking enforcement.

BaconFest setup was one of the smoothest ever. The Officers working overtime for the RA hearing went door to door talking to businesses about clearing out downtown for BaconFest setup. The entire BaconFest area was clear except for 1 vehicle by about 520pm with zero vehicles towed.

BaconFest was well attended. Officers rotated in to the FD to cool off, however the AC was broken. There were multiple medical issues and 1 arrest at BaconFest.

7 or 8 ballistic windshields installed. Installation of in car cameras is to begin this week.
