OLD BUSINESS:

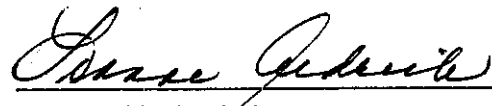

Farm Bureau had appeared at the previous BOW meeting with a request for assistance on the sidewalk replacement at their business. They were asked to submit specs to Aaron Lyons. At this time, nothing has been turned in to Aaron. During a discussion that followed, Carolyn Pearson expressed her concern with using taxpayer's money to do work for a business. She does feel that the City should help and support our local businesses but is not sure that the replacement of sidewalks that look suitable should be considered. Bob Conner questioned the changing of the entrance to the business. Mayor Strasser feels that our engineers should look at the plans. Decision on the request submitted by Farm Bureau was tabled until more information can be gathered.

Meeting was adjourned at 1:40 P.M.
