

BOARD OF PUBLIC WORKS AND SAFETY
MARCH 2, 2017
9:00 AM
WORK SESSION

Mayor Evans called the meeting to order.

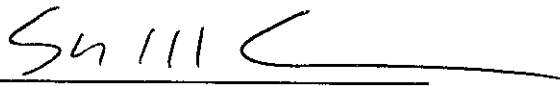

Roll call was given. Board Members Bradshaw, Deiwert, and Evans were in attendance.

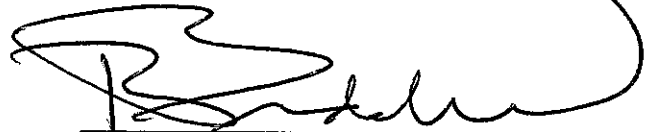

John Brand and Michael Turchi of BF&S informed the Board that Mr. Turchi has accepted another position and BF&S and the City of Delphi will be working together during the transition for our open projects. There are numerous projects ongoing, including:

1. Pump Station;
2. Monroe Street Sewer Rehabilitation;
3. Well 3 Permitting and Easement;
4. Wells 1, 3, and 5 Aeration;
5. Wastewater Phosphorous Treatment;
6. IPC Lateral Water Connection; and
7. Water and Sewer Expansion.

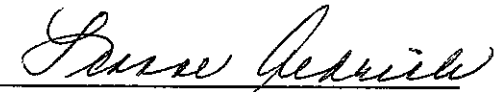

The Board and BF&S representatives discussed the status of those projects, what information is needed, and how to proceed under the guidance of difference BF&S representatives.

Meeting adjourned at 11:00 a.m.
