NEW BUSINESS:

The first order of business is proposed Resolution 2024-7 which is a resolution authorizing petition submission for the Delphi Tri-Township Fire Territory. Mayor Yates asked for a brief overview of the resolution to which Marcia Jura responded that it is authorizing the submittal of a petition to the state of Indiana DLGF to increase the maximum property tax levy for fire protection. It is solely based on census calculations and is being done by C.L. Coonrod & Co. who will be doing all of the paperwork and submitting it on behalf of the fire territory. The Fire Dept. could see up to \$15,000 gain to add to their general funds to aid in paying for fire equipment and expenses for items needed. Council Myers asked if they would just be getting a larger sum of funds to which Mayor Yates responded the funds gained from the resolution would go to the general fund. Justin Darling responded by thanking the council and stating that this is needed due to our growing population and the understanding the increase in the community and economic development.
