Attachment H: Standards for Evaluating a Zone Map Change

The PC's recommendation and the City Council's decision shall be based upon how each of the following statutory requirements is justified in the request. Use this form or attach a separate sheet that thoroughly itemizes, explains, and justifies each of the following criteria:

1. The requested zoning change is consistent with the Comprehensive Plan because...

2. The requested zoning change will not have a negative impact on the current conditions and the character of current structures and uses in each district because...

3. The requested zoning change will result in the most desirable use for which the land is adapted because...

4. The requested zoning change will not affect the property values throughout the City of Delphi because...

5. The requested zoning change promotes responsible development and growth because...

Attachment I: Request for Waiver from Subdivision Standards

Where the PC finds that extraordinary hardships or practical difficulties may result from strict compliance with the subdivision regulations of the ordinance and/or the purpose and intent of these regulations may be served to a greater extent by an alternative proposal, it may approve waivers so that substantial justice may be done, and the public interest secured. Waivers shall not have the effect of nullifying the intent and purpose of the subdivision regulations. Note that a waiver request from the standards for public infrastructure requires a favorable recommendation from the TAC Committee before being considered by the PC.

Use the form below for each waiver requested. Attach a separate sheet if necessary.

Ordinance Citation:
Subdivision standard(s) to be waived:
Alternative/Substitute to be offered:
1. The approval of the waiver request will not be detrimental to the public safety/health/welfare or injurious to property within a reasonable proximity to the subject property involved in the waiver request because...
2. The strict application of the applicable ordinance standard will result in practical difficulties in the development due to the particular physical surroundings, unique constraints, or topographical conditions of the subject property. These conditions will not substantially alter the character of the subject district or neighborhood because...
3. The practical difficulties were not self-imposed and cannot be overcome by reasonable design alternatives because... <i>(Note: financial hardship does not constitute grounds for a waiver)</i>
4. The waiver request is necessary and represents a minimal deviation from explicit ordinance standards because...
